

A CLEAN CAMPAIGN RESULTS IN A SPLENDID DEMOCRATIC VICTORY

SWARTZ FOR MAYOR GETS A PLURALITY OF 299 OVER BIGBEE

DEMOCRATIC CITY TICKET VICTORIOUS

D. M. Jones Elected Justice---Count Incomplete But Henry C. Keller Progressive Democrat Un- doubtedly Constitutional Delegate--- Newark City Council is Democratic.

Francis Marion Swartz was elected mayor of Newark at the election on Tuesday, and carried to victory with him the larger part of the Democratic ticket. Every other candidate on the ticket, with the exception of two councilmen and justice of the peace, was elected by a safe majority.

With the returns incomplete at 2 o'clock, indications are that "Squire" W. P. Holton, candidate for re-election as justice of the peace, was defeated, as well as Councilman Julius Jich in the Fifth ward and Councilman Charles W. Smith of the First ward. There was no opposition to the Republican candidate in the Sixth ward.

The next city council will consist of five Democrats and three Republicans, with a Democratic president of the body, Harry Rosel.

For school board, Dr. W. C. Rank, R., Charles L. Conrad, R., and Seth N. Haight, D., were elected.

Without a question, the election Tuesday aroused more general interest than any in recent years. This interest was best indicated by the mammoth crowds which thronged the street in front of the Advocate office from 6 o'clock until midnight, watching the returns as they were flashed on the great screen suspended over the center of Main street.

The interest was further indicated by the thousands of telephone calls answered by the Advocate, the Newark Telephone Company and the election board.

The Advocate, following its usual custom, took excellent care of its readers and friends by furnishing accurate returns as fast as they were available.

The regular force of the editorial and business rooms was augmented by additional help and the election news was handled quickly and efficiently.

Two young ladies were kept busy in the editorial room and two men in the business room, answering telephone calls. Others were busy gathering and receiving returns and turning them over to two stenographers for bulletin purposes.

With the splendid force working in union it was a matter of seconds from the time the figures were received at the office when they were flashed on the screen. The totals and majorities quickly followed each precinct's vote and the thousands who thronged the streets were constantly aware of the standing of the various candidates in the race.

Naturally the greatest interest was centered in the contest between Francis Marion Swartz and R. C. Bigbee. During the early evening these two candidates ran neck and neck.

Swartz managed to keep slightly

ahead of his opponent as most of the precincts were reported, and only once did Bigbee take the lead, and then he had a plurality of but one vote.

At 11:30 Swartz was leading by 117 votes, with five precincts yet to hear from. Those wise to the situation realized at this time that Swartz's election was assured, as four of the five precincts out were strong Democratic localities, and they were satisfied of the results, being merely in doubt about his plurality.

Many of the people on the outside, however, took the bulletin for their face value, and without calculating on the returns not yet in, decided to wait to see the final result.

With the report of the next five precincts, Swartz's plurality rolled up in leaps and bounds until the 28th precinct report gave him a plurality of 299.

Owing to the fact that there were five ballots to count, the returns on other candidates were meagre. Only occasionally was it possible to get the figures on anything but mayor.

It was soon conceded that Mr. Swartz had carried most of the ticket through with him and the big crowds went home satisfied.

At 12:30 the big crowd dwindled down to a bare 50 or more and these soon moved on after the last precinct was bulletined.

Wednesday as the results became known on the other candidates, it was found that Harry Rosel was an easy winner for president of the council.

The present city auditor, William Wulthoof, a Democrat who has given excellent service in his office, was re-elected. Alonzo P. Taylor ran far ahead of the rest of the ticket, polling 150 to 200 more votes than other candidates on the ticket. Rodertek Jones was 239 votes ahead of Norpell for city solicitor.

Frank Knauber, who was an eleventh hour candidate on the Republican ticket, was the only councilman-at-large who ran at all close with the lowest man on the Democratic ticket for this office. He was 245 votes behind Mr. Prior.

Henry C. Keller, candidate for constitutional delegate from Licking county, carried the city by 411 votes over A. A. Stasel, his nearest competitor.

Incomplete returns from the county indicate that Keller will win the contest with a plurality of 600 to 800.

It was not until Wednesday morning that the revised figures of returns from the city precincts and township showed that "Squire" Holton was defeated by 63 votes.

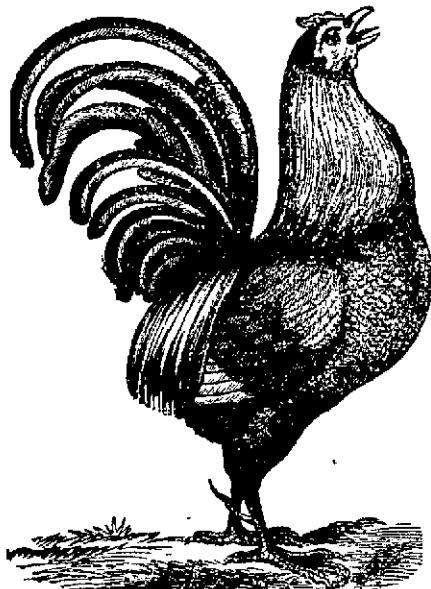

While the figures from the Fourth ward were incomplete at 2 o'clock this afternoon, Frank Muenz was elected, and it is believed his plurality will be 150.

Newark Democrats are justly proud of the victory Tuesday, after waging a clean campaign for the entire ticket.

REBELS MARCHING ON THE CAPITAL

Shanghai, Nov. 8.—Yuan Shi Kai, who several days ago proclaimed himself provisional president of China has ceased in his efforts to make terms with the government and is now reported to be marching to Peking. It is expected he will proclaim himself dictator upon his arrival.

Revolutions are converging on the capital from every direction and its fall is considered only a question of days or hours.

Lower House in New York Goes to
Republicans—Some New Jersey
Surprises.

Boston, Nov. 8.—Strenuous efforts on the part of the Republicans of this state failed to bowl Eugene N. Foss out of the governor's chair. He was re-elected by a plurality of from 4,000 to 5,000 over Louis A. Frothingham, who has been lieutenant governor for the past three years. To add to the chagrin of the Republican leaders, who believed from the early returns that the whole ticket had been victorious, there is every indication that David I. Walsh, the Democratic nominee, has been elected lieutenant governor over Robert Luce. Foss carried Boston by a plurality of about 22,000, as against 27,700 last year.

In the campaign speeches, Republican orators urged Frothingham's election on the ground that the national administration should be supported in its tariff policy and that a Democratic victory would mean a blow to the textile industries of the state. Governor Foss placed his record before the people and asked for support.

CAPTURED BY REPUBLICANS

Lower House of New York Legisla-
ture Taken From Democrats.

New York, Nov. 8.—The Republicans in the state of New York have captured the only redoubt that was possible to capture in this election. The only state ticket in the field was the assembly ticket for election to the lower house of the state legislature. A year ago the Democratic landslide year—the New York assembly stood 87 Democrats to 63 Republicans. Latest returns now indicate that this year the assembly will stand Republicans 95, Democrats 54, Socialists 1.

The most interesting feature of the election in the state, so far as shown by the returns, are the victory of the Socialists in the municipal election in Schenectady and the defeat of Thomas Mott Osborne, one of Governor Dix's most intimate friends, for mayor of Auburn. Osborne has always been a bitter opponent of Tammany Hall.

Democratic Landslide.

Louisville, Ky., Nov. 8.—An eleventh-hour landslide towards the Democratic ticket in Kentucky gave James B. McCreary, the Democratic gubernatorial nominee, the largest majority that any candidate for governor has received in Kentucky for many years. Indications are that his majority will reach 25,000. Both branches of the legislature will be Democratic, insuring Congressman Ollie James' election to the United States senate. Judge O'Rear, Republican candidate for governor, refused to give up until the up-state vote, giving unprecedented Democratic majorities, had been received.

Rhode Island.

Providence, R. I., Aug. 8.—Returns show a complete Republican victory in Rhode Island by pluralities ranging larger than a year ago. For the position of governor, the most closely

MAYOR-ELECT SWARTZ' STATEMENT

To the People of Newark:

The election is over and the result is recorded. It must not be regarded as a victory for Swartz, nor for the party. It is not a victory for Partisanship but for Citizenship.

We are all residents of Newark, the best town in the best state of the Union and all should at all times "pull" for its best interests.

Let us now forget the campaign and all unite and work together for Greater Newark.

I want to express my sincere appreciation for the splendid support given me and my associates on the ticket on Tuesday, and to assure the people of this city that I shall do my level best to give Newark a good, common sense, business administration, ever keeping in mind the best interests of the whole community.

PREPARING FOR OPTION ELECTION AT COSHOCTON, O.

Coshocton, Nov. 8.—Paul E. Weicker, head of the local German-American Alliance, announced yesterday that Coshocton would have an election under the Rose County Local Option Law within a short time. He denied that petitions had already been circulated and signed by 340 voters.

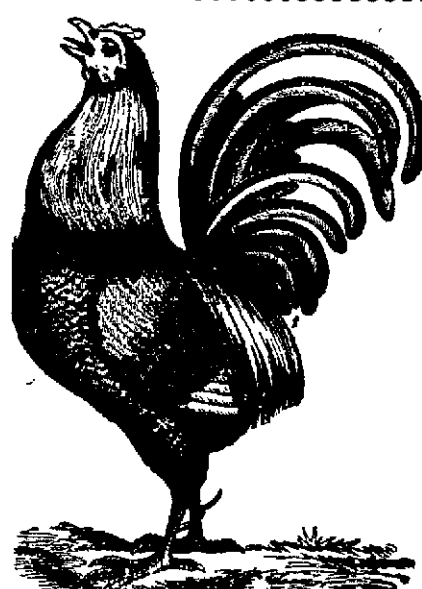

REPUBLICAN MAYOR.

Marietta, Nov. 8.—After a campaign that fairly sizzled the Republicans carried their candidate, Chas. Leeper, to victory. His plurality will probably not exceed 200. The remainder of the ticket is Republican.

ELECTIONS IN LICKING VILLAGES

Kirkersville, Nov. 8.—R. H. Virkile of this village was elected mayor on the Democratic ticket by a majority of 18 votes.

Hanover, Nov. 8.—This village elected an independent mayor, J. C. McVickers by a small majority and Geo. Lescault, marshal.

A. A. Stasel carries the village and township by a good majority.

Hartford, Nov. 8.—The Republicans elected D. Hoover, R., mayor by a majority of 34 votes and Harry Graves, treasurer. The Democrats elected H. D. Wilson clerk, and carried the council.

The vote for constitutional delegates are for Hartford township: Johnson, 46; Keller, 38; Stasel, 37; Nash, 30; Smith, 14.

Johnstown, Nov. 8.—H. D. Payne, D., was elected mayor of Johnstown by a majority of 14. C. A. Burt, R., was elected treasurer by a majority of 61. A Democratic council was elected.

For constitutional delegate Johnstown village and Monroe township voted as follows: Stasel, 33; Keller, 30; Smith, 23; Johnson, 78; Nash, 43. J. E. Wolf was elected marshal by a majority of 99 votes out of 264 cast.

Homer, Nov. 8.—Republicans and Democrats equally divided the village and township offices in Homer and Burlington township. The proposition to establish a town library carried by 140 votes and 47 days. G. Bash, D., and Dean, R., were elected justices of the peace. Boon and Bier were elected members of the school board, having no opposition. The vote on township trustees was: Shaffer, D., 77; Catt, D., 303; Mason, D., 122; Patton, R., 123; Lloyd, R., 110; Wagner, R., 108. Township clerk: Yost, D., 110. Constable: McBroome, D., 105; Chambers, D., 71; Yeakum, R., 108; Albright, R., 111. Assessor: Stimson, D., 97; Patton, R., 118.

Constitutional delegate, Homer and Burlington twps., Keller, 88; Stasel, 36; Nash, 11; Smith, 5; Johnson, 45.

Utica, Nov. 8.—The Democrats only had two men on the ticket, candidates for marshal and clerk. The Republicans had a complete ticket with the exception of clerk, and the Socialists had a ticket in the field. George Smoots, Republican, was elected mayor by 151. C. W. French, a Socialist, defeated the Democratic candidate for clerk by 51 votes. The vote for marshal was: William Hoabs, R., 215; clerk, Socialist, 105; Lee Pils, 91. Hoabs was re-elected on a "wet" platform.

The vote for constitutional delegate in Washington township was: Keller, 121; Stasel, 90; Nash, 52; Smith, 76; Johnson, 88.

Pataskala, Nov. 8.—The election at Pataskala was quietly contested Tuesday. The Democrats elected Samuel J. Alward, mayor; Elias Williams town clerk, and two councilmen, G. F. Smith and C. N. Alward. Thomas W. Van Dorn, R., was elected treasurer. Four Republican councilmen were elected, Albert Frankenberg, Joseph Vorhees, F. B. Johnson, and Fred Irwin.

Pataskala village and Lima township's votes for constitutional convention are: Johnson, 104; Stasel, 100; Keller, 81; Smith 35; Nash, 24.

Granville, Nov. 8.—While the election in Granville was very quiet and there was no disturbance of any kind, yet the battle between the different factions was quite spirited and a good vote was polled. J. M. Swartz, the Democratic candidate for mayor, is elected by one vote. John Geach, the Democratic candidate for corpora- (Continued on page 10, col. 4.)

Returns Show.

Cleveland, O., Nov. 8.—Newton D. Baker, styled the political heir of Tom L. Johnson, 3-cent fare mayor of Cleveland, was elected to the mayoralty four times held by his chief, by a plurality estimated at 18,000. Tom Johnson's greatest plurality was under 13,000.

Baker, city solicitor under Johnson and re-elected in 1909 when Herman Baehr, Republican, defeated Johnson, snowed under the Republican nominee, Frank G. Hogen, and carried his entire city ticket into office with him. Only six of the city's 28 wards elected Republican councilmen, the Democratic restoration to power being complete.

The Socialist candidate, C. E. Ruthenberg, polled a large vote, in some precincts getting more than twice as many votes as Hogen. Indications are that Ruthenberg will receive between 5000 and 6000 votes.

The proposition to bond the city for the purpose of erecting a municipal electric light plant seems to have been beaten, however, though both parties approved the plan. There being seven separate ballots, the count is slow, and it will not be known how the constitutional delegates stand until late, though it is pretty certain that all who indorsed direct legislation will be named.

BY 5,000 PLURALITY

Hunt, Democrat, Elected Mayor of the
Queen City.

Cincinnati, Nov. 8.—Henry T. Hunt, the young Democratic prosecutor of this county, who vigorously but futilely prosecuted George B. Cox on the charge of perjury, was elected Democratic mayor of Cincinnati by a plurality which was decisive over his competitor, Dr. Louis Schwab, a Republican of lifelong prominence in this city and the organization candidate for re-election. The entire Democratic ticket was elected.

These results were in spite of vigorous, even almost frantic, efforts of the old guard of the organization to retain control of the city and county offices; also in spite of the fact that President Taft, a few days ago in an open letter to former Mayor Julius Fleischmann, declared his intention of voting the entire Republican ticket.

Some months ago the Republican leader, George B. Cox, announced his retirement and the president's attitude was credited to this.

NEW WAGE SCALE FOR OPERATORS AGREED UPON

The Baltimore & Ohio railroad and the committee representing the Order of Railroad Telegraphers of the company have signed a new wage scale effective Nov. 1st, 1911. The money consideration is \$75,000. Each telegrapher in the service receives two dollars and fifty cents, which will take about \$55,000 and the remaining \$20,000 will be used for levelling up and getting lower salaries than others. The overtime rate of pay in relay offices will be 40 cents per hour and road men will receive 30 cents per hour overtime. Men working more than 9 hours, 15 days vacation per year with full pay. Eight hours will constitute a day's work in relay offices instead of eight hours and thirty minutes are by the old schedule.

Bed Ridden Woman Well in Two Months

Less than two months ago I was practically bed ridden as it was impossible for me to sit up for more than one hour at a time, and today, thanks to your wonderful remedy Swamp Root, I am able to do my own work and I can walk down town. I was suffering from inflammation of the kidneys and bladder and it was only with the greatest difficulty I could urinate at all and when I did it would almost scald me. My husband got me a bottle of Dr. Kilmer's Swamp Root at Mr. Frank Prior's store and from the first I experienced relief and a few bottles made me a well woman. You can make what use you like of this letter as I cannot praise your remedy enough. Yours sincerely, MRS. FRANK ARNOLD, Springville, N. Y.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Send to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. It will convince anyone. You will also receive a booklet of valuable information telling you all about the kidneys and bladder. When writing, be sure and mention the Newark Advocate. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

BIG BONUSES IF RODGERS' RECORD CAN BE BROKEN

Pasadena, Cal., November 8.—A gold cup and bonuses up to \$3,000 have been offered by the backers of Aviator C. P. Rodgers to any rival aviator who can break Rodgers' transcontinental record of 49 days. This was announced by Edward Merritt, one of Rodgers' business representatives. The bonuses, it was stated, would be given as follows: One hundred dollars a day for every day cut from the forty-nine day record; \$500 for each day under 40 days; \$1,000 for each day under 35. The details of the new transcontinental prize offer would be arranged tomorrow in Chicago, Merritt said. Rodgers spent today visiting schools and talking to the children about his record-breaking flight. Arrangements were completed for

Rodgers to complete his flight at Long Beach. He agreed to fly there on Sunday.

PROGRESSIVES WIN SWEEPING VICTORY

Long Fight for Initiative and Referendum Won—"Dry" May Have Majority of Delegates.

Columbus, Nov. 8.—(3 p. m.)—The extent of the sweeping victory won by the progressives in the election of constitutional convention delegates is best shown by the fact that out of a total of 119 delegates less than 25 are re-actionary. Between 90 and 100 delegates are unqualified progressives who were elected because they favored the initiative and referendum and other reforms. A big majority of all the delegates are pledged in writing to work for these principles. Herbert S. Bigelow, secretary of the Ohio Progressive League and for ten years a leader in the fight for the initiative and referendum today issued the following statement: "The long fight for the initiative and referendum in Ohio has been won. The slush fund of big monopoly business will avail nothing in the convention. The enemies of popular government have met a crushing defeat. This is the greatest victory ever won for progressive government in any state in the union." The indications now are that the drys will have a majority over the wets in the convention. The big counties with the exception of Franklin will send wet delegates, but the drys more than made up for the loss in the small counties. While all the delegates were elected on non-partisan ballots it develops that the Democrats will have a lead over the Republicans in membership. The Democrats have elected approximately 60 of the 119 delegates. The Republicans about 45, with the Socialists and Independents about 8 and the remainder doubtful. The minute a man begins to feel that his troubles are at an end he makes a fresh beginning. People who continually find fault seldom find time for anything else.

WHITLOCK LANDS

Independents Again Carry the City of Toledo.

Toledo, O., Nov. 8.—Returns show the re-election of Brand Whitlock for mayor for a fourth term and the entire independent ticket with the possible exception of police clerk. The entire city council is also likely independent, assuring the people of Toledo of 3-cent fares and universal transfers in the pending streetcar fight. Nearly 30,000 votes were cast here, which breaks all records for local municipal elections. Whitlock's plurality is from 2,500 to 3,000. Senator David Kellar, Republican, ran second, W. F. Reis, Socialist, third, and C. S. Ashley, Democrat, fourth. The Socialist vote was about 5,000.

MARSHALL DEFEATED

Karb Easy Victor Over Opponents at Columbus.

Columbus, O., Nov. 8.—George J. Karb has been elected mayor of Columbus by a sweeping plurality. The figures now in from both Republican and Democratic headquarters, and from the board of elections, are from all parts of the city. North, south, east and west all show large Democratic gains—so large as to be unexpected even by the most hopeful of Mr. Karb's backers. On the returns Mr. Karb's plurality over Mayor Marshall will be 6,000. The Socialists, while they cast a heavy vote, did not get nearly that which they expected, nor did they get as heavy a vote as was expected by the other parties. Neither did Mayor Marshall get the vote which was expected, in many precincts his ballots running far behind the number shown he would receive by the poll taken by Democratic workers before election. The Socialist "strongholds" in the West and South Sides and in the Panhandle district, northeast, gave Karb as many votes as both Mr. Eby and Mayor Marshall together. Karb was elected by about 5,000 in a total vote of 43,000. Eby, Socialist, ran third, polling about 10,000 votes.

Progressives Elected.

Columbus, O., Nov. 8.—Makers of the new Ohio constitution, as indicated by yesterday's election, probably will be progressive. In Cuyahoga county, while returns are incomplete, nine of the 10 delegates are progressive. In Hamilton the results are not radically different, while in Franklin the three successful candidates are pronouncedly progressive.

Sandusky.

Sandusky, O., Nov. 8.—Returns indicate that George T. Lehrer, Republican, is elected by 350 over William Leitz, Democrat. The Socialists polled about 700 votes, which is high-water mark. Returns indicate that Judge King is elected as constitutional delegate. He is opposed to the initiative, referendum and recall and for separate submission of the liquor question.

Wet Democrat Wins.

Coshocton, O., Nov. 8.—Mayor Cassingham, wet Democrat, was re-elected by 200 majority. Smith, Socialist, ran second, with Ritchie, dry independent, running a poor third. In all probability Myers, dry progressive, has been elected constitutional delegate.

Pressed Closely by Socialist.

Canton, O., Nov. 8.—Mayor A. B. Turnbull, Dem., was elected mayor of Canton, being closely pressed by Charles Shilling, Socialist.

Garfield Overwhelmed.

Painesville, O., Nov. 8.—Returns indicate that James H. Garfield has been defeated for constitutional delegate by a decisive plurality.

NATURE'S CURE FOR CHRONIC ULCERS

Only by removing the cause can any chronic Ulcer or Old Sore be cured. No one will question the truthfulness of this statement. The cause is always from an inward source, never an outward influence, and therefore the only possible way to get rid of these places is to take internal treatment. Pure blood is the one unfailing cure for chronic ulcers; just as long as the circulation is allowed to remain in an impure condition the place will be kept open from the constant discharge of impurities into it from the blood. But pure blood will change this condition and the flesh tissues will be nourished and made healthy, and then nature will promptly and permanently heal the ulcer. S. S. S. is recognized as the greatest of all blood purifiers and therein lies its power to cure old ulcers and sores. It goes into the circulation, and removes every trace of impurity or infectious matter, and so enriches this vital fluid that it nourishes all flesh tissues instead of irritating them with impurities. When S. S. S. has cleansed the blood and the place has healed over it is not a surface cure, but the ulcer is filled in with healthy flesh from the bottom. Free book and any medical advice will be sent to all sufferers who will write us. S. S. S. is for sale at drug stores.

FOR A BEAUTIFUL FORM.
Exercising in itself is good, but is of no avail for developing the bust or rounding out hollows, as this disfigurement is due to starved, underlying tissues, and to correct the fault it is necessary to properly nourish these sensitive glands and muscles. A gallol tonic (which is the Vaucalre treatment), is very beneficial, because it goes right to the seat of the trouble and so energizes the delicate tissues and glands that they quickly respond and soon assume their correct size and proportions. Any woman can easily prepare her own Vaucalre treatment by making a syrup with a cupful and a half of sugar and a pint of water, then adding one ounce of gallol. Take a tablespoonful before meals, and in a short time the figure will be plump and symmetrical as nature intended. Gallol is a little expensive, but for this purpose it has no equal.

ANSWERS TO QUESTIONS.
Jane: Unless the electric needle is used by an expert, I would not advise you to try it—beauty specialists now recommend simply sulfo solution for removing hair from face or arms. This simple solution does not burn like powders and pastes, and is very easy to apply. Simply rub a little on the hairy parts with the finger tip and in about two minutes the hairs will vanish and the skin will be left soft and white. Druggists charge \$1.00 an ounce for sulfo solution, but it is worth it.

Betty: Your "muddy," oily skin will not cause worriment very much longer if you make up and use this amaro! retreating lotion. Buy two ounces amaro! at the drug store and dissolve it in one pint hot water, then before retiring at night thoroughly cleanse the skin and apply the amaro! retreating lotion generously, rubbing lightly until it disappears. Do this every night and before long your skin will be clear and smooth and take on the natural rose tint of youth and health.

Anita: Little good results from applying olive oil to the scalp. To overcome the itchy, scaly condition, it is necessary to employ a tonic to stimulate the hair-sacs and tender tissues.

You can make a pint of the best tonic by pouring one ounce beta-quinol in a half-pint alcohol, then adding one-half pint water. For best results use frequently and plentifully, each time giving the scalp a thorough massage. Using this beta-quinol tonic soon corrects scalp and hair troubles, encourages the secretion of coloring matter, necessary to restore the former shade and brilliancy, and induces a heavy growth of soft, silky hair.

Ida: Nature is kind to the complexion when her laws are not abused, but where powders and cosmetics are used to excess the harvest is a wrinkled, aged, mottled, unsightly skin. Stop clogging and smothering the pores, and try this simple treatment, if you would regain a soft, velvety skin and whole-some complexion. Use plenty of good soap and warm water to remove the dirt and dirt, then after drying, apply a cerol cream, massaging in well, and soon your skin will be free from impurities and the true beauty of youthfulness in all its charm and loveliness will be yours to enjoy. To make the cream, dissolve two ounces cerol in three-fourths pint boiling water, stir till smooth.

C. D.: Shampooing can be made a pleasant incident of the toilet if you employ eggol for cleansing hair and scalp. Get a package of eggol, your drugist for a quarter (which is enough for a dozen shampoos) and dissolve a teaspoonful in a cup of hot water; massage briskly as you pour a little at a time on the scalp. You will find shampooing with eggol soothes and invigorates the scalp and puts it in a healthy condition. After rinsing, the hair dries quickly and takes on a rich, even gloss and brilliancy. Occasional shampoos with eggol greatly benefits the hair-sacs and keep the scalp clean and healthy.

FELL FROM THE EIGHTH FLOOR TO PAVEMENT

Wife of James Havemeyer, Retired Millionaire Merchant, Instantly Killed in Terrible Plunge.

New York, Nov. 8.—Mrs. James Havemeyer, aged 70, wife of a millionaire retired merchant, whose father, William Frederick Havemeyer was three times mayor of New York, and who was a second cousin to Horace Havemeyer, the present head of the Sugar Trust, either fell or threw herself yesterday from the dining room window on the eighth floor of the New Century Apartment, Seventy-ninth and West End avenue, where her trained nurse was in another room preparing some medicine for her. She had been seriously ill of neurasthenia for more than 15 years and under constant attention of a nurse. She alighted upon her head and was instantly killed. Coroner Holzhauser, who took charge of the case was unable to determine whether or not it was one of suicide or accidental death. He gave permission for the corpse to be taken upstairs and said he would appoint a date for an inquest later.

James Havemeyer, aged 75, the decedent's husband, was down town with his only son, J. Craig Havemeyer, when the tragedy occurred. He was prostrated when he heard of it. Young Mr. Havemeyer met the reporters and said:

"It was purely a case of accidental death. My mother has been ill for many years. Apparently she opened a window during the absence of the nurse to get a breath of fresh air, and stumbled over a low radiator which is directly in front of the casement. We are sure that she did not commit suicide, for she was perfectly clear in her mind and had been much improved of late. In fact

she was out for a walk with her nurse yesterday afternoon."

The elder Mr. Havemeyer was, it developed, until 20 years ago, associated with the present members of the Havemeyer family in the sugar and tobacco business, but having made an ample fortune he retired. His son, J. Craig is a broker.

If Many a Wife Knew About Orrine

There would be less of the terrible affliction that comes to many homes from the excessive drinking of husband, father or son.

Orrine has restored thousands of men to lives of sobriety and industry, and best of all they have made their loved ones happier. Orrine is prepared in two forms, pill and powder; the latter form can be given secretly. Only costs \$1.00 a box—a trifle when compared with the amount a man would spend for drink in a day. We have sold ORRINE for years, and will gladly tell you all about it. Come in and get a free booklet. Frank D. Hall, 10 North Side Square.

TAMMANY TICKET WINS

Allied Forces Are Defeated in New York County.

New York, Nov. 8.—In this city there was fought a final fight between the allied forces of the Republican party and those following the lead of William R. Hearst against a straight-out Tammany judiciary and county ticket.

The Democratic county ticket, as indicated by the plurality for sheriff, who heads the ticket, will be about 6,000. The successful candidate for this office is the Hon. Julius Harburger, the personal candidate of the Hon. Timothy D. Sullivan and a Tammany officer since the memory of man runneth not to the contrary.

Although Hearst and his Republican allies lost in New York county, they made a victory all along the line in Brooklyn and Kings counties. The fusion ticket will probably have a plurality of between 12,000 and 15,000.

Supervisors Anti-Union

San Francisco, Nov. 8.—The voters of San Francisco practically completed the destruction of the labor machine when they elected a board of supervisors almost solidly anti-union. The municipal conference ticket, which is really fusion, has made nearly a clean sweep so far as the board of supervisors is concerned. Of the 18 members of the board, 16 conference candidates seem surely elected.

District Reverses Itself

Hempstead, N. Y., Nov. 8.—Nassau county, the home district of Colonel Roosevelt and nearly a score of other men prominent in the financial and political world, which went Democratic last year by nearly 3,000, after giving Mr. Roosevelt and President Taft pluralities of over 3,500 each, reversed itself and fell into the Republican ranks again by nearly 2,100 plurality.

Blankenburg for Mayor

Philadelphia, Nov. 8.—Late returns indicate the election of Rudolph Blankenburg for mayor of Philadelphia by a small majority, but the vote is so close that no definite result can be determined until the vote has been canvassed. The Republicans claim only 5,000 for Earle, while the independents claim 15,000 for Blankenburg. Speaking privately, several organization ward leaders conceded the defeat of Earle.

Roosevelt's Nephew Wins

Utica, N. Y., Nov. 8.—The returns from Herkimer county indicate the election of Theodore Douglas Robinson, a nephew of former President Roosevelt, who was turned down by the Republican machine in the convention but carried his case through court and was nominated after the judge ordered his delegates seated.

Democratic Congressman Elected

Topeka, Kas., Nov. 8.—Scattered returns show the election of Joseph Taggart, Democrat, in the Second congressional district, to succeed the late Congressman Mitchell. The election in the Seventh district will be held Friday.

First Election in New Mexico

Albuquerque, N. M., Nov. 8.—New Mexico, at its first state election, polled the heaviest vote it ever cast. Many scratched tickets made the count slow. The Democratic central committee claims the state for McDonald by 4,000. Returns are late because of the slow and complicated count.

MRS. VERMILYA TALKS

Will Give a Full Statement Concerning Deaths in Her Home.

Chicago, Nov. 8.—Mrs. Louise Vermilya, charged with the murder of Policeman Arthur Bissonette and suspected of having knowledge of nine other sudden deaths in a poison mystery, broke her silence and made the first statement to the public. After conferring with her counsel, Joseph Burres, she said:

"When I become stronger I will give a full and detailed statement concerning all of the deaths which took place in my house. I am positive there will be no arsenic found in the viscera of either Richard T. Smith or my son Frank. All these insinuations that have been made by the police and the coroner to the effect that I got any benefits from the death of these persons are falsehoods. It is true I was a solicitor in the Home Guards. I will admit that C. C. Bolson, the undertaker, has been a friend of mine. It is true we have had business relations. I will explain away all the charges that have been made concerning him and me. I do not fear the end, for I am innocent."

SAGE TEA WILL DARKEN FADED AND GRAY HAIR

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance they made a brew of sage leaves and applied it to their hair, with wonderfully beneficial effect.

Nowadays we don't have to resort to old-time, tiresome methods of gathering the herbs and making the tea. This is done by skilled chemists better than we could do it ourselves and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing sage in the proper strength, with the addition of sulphur, another old-time scalp remedy.

The manufacturers of this remedy authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

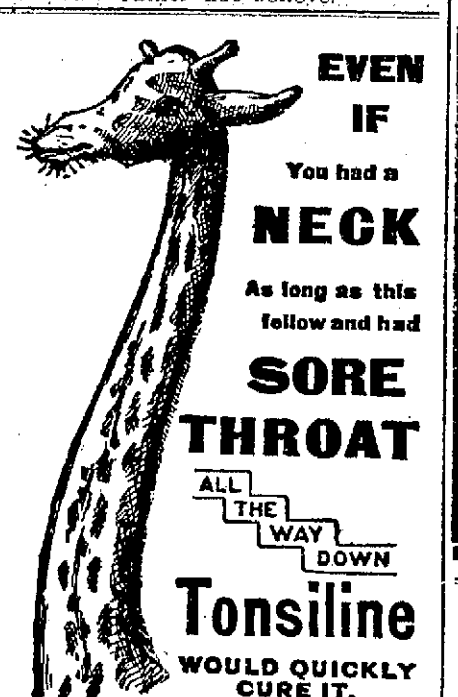

Don't neglect your hair. Get a bottle of Wyeth's Sage and Sulphur today, and notice the difference after a few days' use.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

YOUNG GIRL DYING

Coshocton, Nov. 8.—Ruth Franklin, aged 17 years is dying and her three days old babe is buried and her father declares he will cause the arrest of a son of a prominent Mormon Run family who has been sojourning in California for several months. These are the facts which have stirred up this unusually quiet community in the past few days. It is claimed that the young couple were to be married, but objections on the part of the young man's parents caused a failure of the plans. In the event of the death of the girl the case may result in criminal prosecution.

Stops Lameness

Sloan's Liniment is a reliable remedy for any kind of horse lameness. Will kill the growth of spavin, curb or splint, absorb enlargements, and is excellent for sweeny, fistula and thrush.

Here's Proof.
"I used Sloan's Liniment on a mule for 'high lameness,' and cured her. I am never without a bottle of your liniment; have bought more of it than any other remedy for pains." BARRY KERRY, Cassidy, Ky.

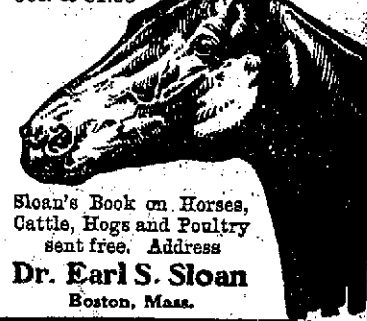

"Sloan's Liniment is the best made. I have removed very large shoe boils off a horse with it. I have killed a quarter crack on a mare that was awfully bad. I have also healed raw, sore necks on three horses. I have healed grease heel on a mare that could hardly walk." ANTHONY G. HIXON, Oakland, Pa., Route No. 1.

SLOAN'S LINIMENT

is good for all farm stock.

"My hogs had cholera three days before we got your liniment. I am advised to try. I have used it now for three days and my hogs are almost well. One died before I got the liniment, but I have not lost any since."

BEHIND OUR FAN.

Hundreds of people have called by
telephone or in person to compliment
this newspaper upon its conduct of
the recent municipal campaign. This
expression of approval is very thor-
oughly appreciated. It is common
practice and easy to criticize but com-
paratively few people go to the trouble
of saying a good word. They think
it is unnecessary. They take things
for granted. A newspaper is like an
individual. It likes to hear pleasant
things and the flood of compliments
received Tuesday night and Wednes-
day has made the Advocate feel just
fine.

Incomplete returns clearly indicate
a large progressive majority in the
coming constitutional convention.

Take a look through the news col-
umns today and you will note that
the Democrats were successful almost
everywhere.

Nearly all of the large Ohio cities
elected Democratic mayors yesterday.
City Auditor Wulphoop has been
weighed in the balance and found not
wanting. His management of the of-
fice merited the people's approval.

The councilmen-at-large elected on
Tuesday, John A. Dwyer, Joseph
Stasel and John A. Prior, are men of
the right kind. They are "all for
"Greater Newark."

The Advocate Screen.

Thousands of people read the elec-
tion news flashed upon the Advocate
screen Tuesday night and other thou-
sands got their election returns over
the five telephone lines leading into
this office.

The Advocate received United Press
telegrams from dark until midnight
giving the election news from every-
where and these messages were pro-
jected in typewritten form upon the
big screen along with the local re-
turns as received during the evening.

The intense interest in the election
was evidenced by the large attendance.
The Advocate appreciated the many
compliments received over the way the
election news was handled.

Good evening, Mayor Swartz of
Newark and Granville also.

HARRY ROSSEL
President of Council.

It beats all how "Lonny" Taylor
runs.

Harry Rossel will be at home in
the president's chair in the city hall.
Never has Newark had a more com-
petent presiding officer in the city
council than Mr. Rossel.

Congratulations came to the Adv-
ocate from all sources over the last
issue of the paper closing the cam-
paign.

The people did not diminish their
regard for Lonny Taylor, even though
he confronted a popular and highly
competent opponent.

Roderic Jones has a host of friends
all over Licking county who will re-
joice at his election for City Solicitor.

MAYOR-ELECT SWARTZ

In January next Marion Swartz will
become Mayor of Newark. The people
have chosen him by a decisive vote
and now that the election is over all
good citizens forgetting for the time,
party lines and platforms, are ready
to make it unanimous.

Mr. Swartz will be mayor for all the
people not alone for the Democratic
party for he and his friends well know
that in the election on Tuesday party
lines were shattered to an extent and
the people voted for men, not party
emblems.

Marion Swartz has lived in Newark
practically all of his life. He has for
years been well known in this locality
and those who did not know him
prior to the recent campaign now
have his acquaintance because Mr.
Swartz made a personal campaign and
came in direct contact with the people.
The more the people got acquainted
with him the more they admired him.
From day to day his strength with the
people grew and as he becomes better
known through his official work as
chief executive of the people his pop-
ularity will increase.

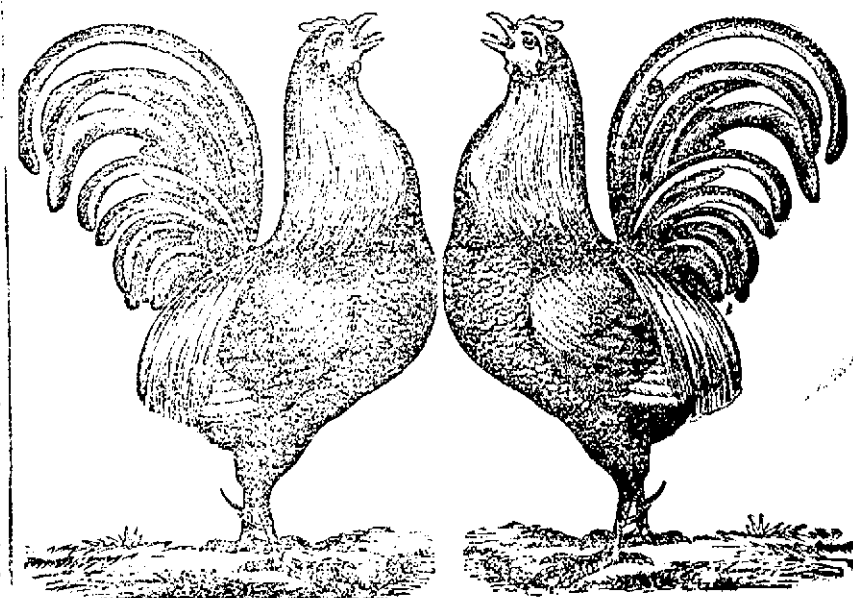

Marion Swartz is "on the square."
He possesses those qualities of mind
and heart that appeal to the people.
He has good judgment, he is honest
and firm and intends to do the right
thing at the right time.

Mayor-elect Swartz' platform was
"Greater Newark." He believes in
Newark. He is in sympathy with
the work of the Newark Board of
Trade which has for its sole object and
aim the development and progress of
this city, and he will be found at all
time ready and willing and anxious to
promote the commercial interests of
this thriving city.

The Advocate congratulates Mayor
Swartz and wishes him and his ad-
ministration the best of success.

Roderic Jones, the city solicitor-
elect, will fill the bill nicely. He is
a successful lawyer, experienced and
skilful and may be counted upon to
guard the city's interests carefully.

It beats all how "Lonny" Taylor
runs.
Harry Rossel will be at home in
the president's chair in the city hall.
Never has Newark had a more com-
petent presiding officer in the city
council than Mr. Rossel.

Congratulations came to the Adv-
ocate from all sources over the last
issue of the paper closing the cam-
paign.

The people did not diminish their
regard for Lonny Taylor, even though
he confronted a popular and highly
competent opponent.

Roderic Jones has a host of friends
all over Licking county who will re-
joice at his election for City Solicitor.

William Wulphoop will continue to
keep Newark's accounts straight as
City Auditor. His friends take pride
in him.

To the credit of the Democratic par-
ty of Newark it has no factions and
is not divided in its ranks or leader-
ship.

A. P. TAYLOR
City Treasurer.

Let us all now keep our shoulders to
the wheel for "Greater Newark."

The effective work and eternal vig-
ilance of the Democratic city commit-
tee are worthy of the highest appre-
ciation. Its work is not only worthy of
praise, but its action throughout the
campaign is above criticism of politi-
cal opponents.

We will continue our pride and re-
verence for the Licking Democratic
club. Its influence for good of the
party and the welfare of Newark city
has certainly been in evidence
throughout the present campaign.

The splendid organization of the
Newark Democracy has been in evi-
dence throughout the entire campaign.

Marion Swartz made no efforts to
get votes by making two opposite sets
of promises to people of distinctly op-
posite views. But he will be mayor
of all the people.

ARTHUR ROLLWINE
Township Clerk.

Henry C. Keller will be one of the
substantial representatives of the
farmers' interests in the constitutional
convention.

Marion Swartz's platform was
"Greater Newark," and it won. Now
Mayor Swartz and his party will use
every honest, practical endeavor to
carry it out so that the people will
realize its benefits.

FRANK A. SHOWMAN,
Township Treasurer.

There was never any doubt of
Marion Swartz's election by those who
were in touch with the people.

It will doubtless be many years be-
fore the city of Columbus is again
afflicted with such a sham and fraud
at the head of her government as
Mayor Marshall has been. All Ohio
should congratulate its capital city
over being freed from the hindrance
to its progress and future welfare.

Newark is still a Democratic city.
The election of Tuesday was a test
that will be remembered years to
come.

"Genuinely debilitated for years. I had
sick headaches, lacked ambition, was
worn-out and all run-down. Burdock
Blood Bitters made me a well woman."

Using Alum Externally.
When alum is intended for ex-
ternal use, where it is purpose-
ful to cauterize the flesh as in the
case of fever blisters and heated
or even frostbitten feet, it is
dissolved in alcohol it will be
twice as effective. The alcohol
in quickly being absorbed by the
flesh, carries some of the dis-
solved alum with it, and there-
fore fewer applications will be re

DISCONTENT.

Formed of the elemental fierce unrest That seethes forever in the human breast.

Coercal with the race of man and I, I seem a curse from which he faint would fly.

And in his efforts to escape from me He pits his might against immensity And bends the laws of nature to his will.

Yet I shall goad him ever on until He solve the problem of infinity And read the meaning of life's mystery.

Then when he rests on heights as yet untrod And learns that he himself is part of God He'll know that I first taught him to aspire— That I, the curse, impelled him from the mire.

—John E. Dolsen.

Headache?—It's Your Liver

Too Many People Take Headache Powders When a Liver Tonic is Needed.

Try Olive Tablets—the Substitute For Calomel.

Dr. Edwards' Olive Tablets are the one substitute for dangerous calomel. They do all of calomel's work without any of its bad after effects.

There is no necessity, when you take Olive Tablets, of following them up with nasty, sickening, griping salts or castor oil, as you should after taking calomel.

Olive Tablets do not contain calomel or any other metallic drugs; they are a purely vegetable compound mixed with olive oil, sugar coated, easy to take and never gripe or cause weakness.

Thousands of people take one every night at bedtime just to prevent disorder of the liver, constipation, bad breath, pimples, headache, etc.

Olive Tablets, of pure vegetable compounds mixed with olive oil.

Dr. Edwards, calomel's old enemy, discovered the formula for Olive Tablets after seventeen years of practice among patients afflicted with liver and bowel troubles.

Try them for a week. Take one on retiring nightly.

"Every little Olive" Tablet has a movement of its own.

All druggists sell Olive Tablets in neat pocket packages. At 10c and 25c.

Made by the Olive Tablet Company of Portsmouth, Ohio, or Columbus, Ohio. Dr. F. M. Edwards, president.

A MAN WITH A PAST

A man with a haunting past appeared in London social life. He rejected happiness because he dare not accept it. But he was mistaken and William J. Locke tells why, and all about the man in his engrossing novel, "The Usurper," at "Get the Habit"—Norton's Book Store.

There is more luck in a bit of haste than in all the rabbit's feet in the world.

Have you seen them? Well, you surely must, for they're the newest, niftiest and most convenient things ever gotten out.

They are the Parisian ivory and ebony toilet and manure sets that are attracting so much attention at Haynes Bros. jewelry store, at No. 8 North Park Place. One of these could not fail to solve the Christmas Gift problem for you as any of them could not fail to be welcome. The thin model hair brushes and clothes brushes are the latest thing out and are very satisfactory. They remind one of the "Verithin" watches which are so popular. Some of the sets consist of hair brush, comb, mirror, tooth brush, clothes brush, done up in a fine leather case that could be carried in a man's pocket, if necessary. The largest ones take up no more room than a lady's handbag, and could be carried like one, for with the leather case and handle they look much like it, and they contain every necessary toilet appliance. The prices run from \$3.00 up, and they're surely worth the money.

Haynes Bros. also have an elegant line of other toilet sets, manicure sets, etc. Be wise—do your Xmas shopping early. They will lay them away.

DENISON SOPHS HAD JOLLY TIME AT FARM HOME

Four Big Hay Wagons Transported
Students to the Watkins Farm.
News of Granville.

Granville, Nov. 8.—The Sophomores of Denison had a jolly time Monday evening. About 4 o'clock the members of the Sophomore class assembled on the Sem campus to the number of nearly one hundred and boarding four large hay wagons, left for the Watkins home, east of town on the Newark road, where so many social occasions had been held by the college boys and girls. The farm house was decorated in regular harvest style with fall leaves and corn stalks, with a keg of cider within reach of all. A delicious supper of cider, doughnuts, pumpkin pies, etc., was served. The party returned home at a reasonable hour, all having had a most delightful time.

One of the best attended meetings of the Denison Scientific Association that has been held for a long time, was that of Tuesday evening, when an unusually large number of the members assembled in the physics lecture room. Highly interesting talks were made by C. B. Vance on "The Use of Electrical Plants in the Artificial Ripening of Bananas"; Prof. T. S. Johnson gave a number of explanations of the "Failure of the Dam at Austin, Pa.;" Dr. Carney reviewed at some considerable length "The Geologic Record of Prehistoric Man."

On Monday, November 13, Willard Brahan of Cleveland, engineer in the employ of the Lake Shore railroad, Cornell graduate, and leader of a brotherhood class in his church, will be in Granville and address a joint meeting of the Young Men's and Young Women's Christian Associations at 6 p. m. in Recital Hall. His subject will be "Railroad Building on the Frontier."

Edward Andrews, the popular grower at the Davis green house, will spend Wednesday evening at Zanesville, attending a reunion of the class of 1906 of Denison university, of which Mr. Andrews is a member. Mr. Andrews came to Cambridge a short time ago to take charge of the greenhouse and with his pleasing southern ways, he is an old Kentucky boy and the artistic way he puts up his orders, he is gaining a warm place among the Cambridge people.—Cambridge Jeffersonian.

Mr. and Mrs. James D. Mincer and daughter Miss Helen of near Groveport, O., who have been visiting at the home of Mr. and Mrs. George Davis, south of the village during the past week, returned home Monday evening.

Jack Davis spent a few days with friends near Hanover.

There was a good attendance at the last meeting of the Franklin Literary society and the following interesting program was carried out: Declamation, Louis Bruce; Book Review, Harry Schulman; Essay, C. C. Browne; Debate, "Resolved, That the Snake Dance is to be Abolished" Aff. Bixler Davis; Neg. Frank Mathews; Crescent, W. H. Cutler.

Miss Mildred Holmes of Canton, O., has been here for the past several days, visiting her friend, Miss Daisy Hill, who has been attending school here.

Mrs. Fred Baker of Cincinnati, is the guest of Mrs. William Hankinson at her home a short distance north of the village.

Thomas and David Jenkins of Muskingum county, spent Monday in the village transacting business.

Mrs. Wright and son Adam have been visiting friends in Homer during the past week.

Mrs. L. C. Cammack has returned to her home in Huntington, W. Va., after a pleasant visit with her father, Mr. Miram LaFerre.

JUGULAR VEIN OF GIRL HAD BEEN SEVERED

Body Found By Party of Automobileists—Had Been Accidentally
Shot By Youth of 15.

South Norwalk, Conn., Nov. 8.—A party of automobilists last evening found the body of Miss Marjorie Wood, a social favorite of the village of Winnipauk, on the edge of a country road, near here.

The girl's jugular vein had been severed by a charge of shot and a shotgun was found lying by her side. Not until the body had been brought to this city, where the party met Timothy O'Neil, a 15-year-old high school student, who was hysterical from fright, was it known that the girl met death by accident.

Miss Wood was one of a party of two girls and as many boys, who were returning home after a day of nut gathering in the woods. The four sat down beside the road to rest.

O'Neil was holding a shotgun and all were talking and laughing when the weapon was discharged. A scream from Miss Wood told what had happened.

The remaining three of the party set off in search of aid, and it was while they were away that the automobile party came up and discovered the body.

WHY DO THEY DO IT?

"Why people should weep over the imaginary sorrows shown on the face when there is so much real sorrow in the world, I never could understand," says a well known writer.

And it is just as hard for us to see why people will suffer needlessly for months or years. Here is the case of M. Carter of South Akron, O., who says:

"For two years I was in a badly run-down condition, felt weak and miserable and lost considerable flesh. Then I heard that Vinol was a great thing to build up the body and create new strength.

"Now after taking Vinol and getting so much good from it I have decided to write and tell you that it has made me strong and well again, and I have gained in weight, too."

If you are weak and sickly, need new strength and better blood, take Vinol, our delicious cod liver and iron remedy, for depend upon it, that is what you need and it will build you up. We guarantee it—money back if you are not satisfied. Frank D. Hall, druggist, Newark.

CAUSE OF BALDNESS

Is attributed to a germ. This scalp should be kept clean, free from germs of baldness and dandruff with Mrs. Mason's Old English Shampoo Cream. A pure antiseptic tonic wash, which keeps the scalp clean and healthy and the hair bulbs active and strong. 25c. P. D. Hall, druggist, Newark, Ohio, and other druggists.

NEW HARTMAN READY FOR THE OPENING NIGHT

The seat sale for Monday, Nov. 13, the opening night of the New Hartman theatre in Columbus, opened at 10 o'clock Monday morning and at 1-25 the last seat was sold. Speculators were completely baffled, as every messenger in line was forced to present his credentials before obtaining seats. When the box office opened all seats were placed on sale except the season reservations, news-paper seats and those for the architects. Altogether there amounted to 158 seats and four boxes.

The first seats were purchased by W. D. Warner and the first woman in line was Mrs. J. J. Jennings. The last ticket for Monday night was purchased by Mrs. William Darby of King avenue.

In the lobby of the theatre the opening night there will be placed pictures of John C. Fisher, manager of the company; Clarence Hyde, business manager of Klaw & Erlanger, and Gypsy Dale, the actress who will speak the first lines on the new stage, always an enviable distinction among actors. Abraham Erlanger is expected to be present on the opening night.

GLENFORD.

Misses Lela King and Hazel Parks attended the O. S. U-Case game at Columbus last Saturday.

Mr. George DeLong of Shawnee gave a temperance lecture in the Town Hall last Saturday night.

Master Bert Swinellart has been kept from school this week with very serious throat trouble.

The following young people were entertained at the home of Mr. Edward Foucht of Thornville last Sunday: Misses Blanche Gordon, Ola Cooper, Hazel Parks, Lela King, and Mabel Swinellart. Messrs. Evan Foucht, Urban Foucht, Luke Cooper, Ralph Roberts and Owen Lee and Mr. and Mrs. Jesse Smith.

Mr. Carl Courson of Thornville spent Friday with Mr. Luke Cooper.

Mr. Samuel Roberts and son Ralph were visitors in New Lexington last Thursday.

Mrs. Thomas Dennison and daughter Marie were visitors in Newark last week.

RED

It's the Red Blood Corpuscles That Proper Food Makes.

An Ohio woman says Grape-Nuts food gave her good, red blood and restored the roses of youth to a complexion that had been muddy and blotchy. She says:

"For 10 years I had stomach trouble which produced a breaking out on my face. The doctors gave it a long Latin name but their medicines failed to cure it. Along with this I had frequent headaches, nervousness and usually pain in my stomach after meals.

"I got disgusted with the drugs, stopped them and coffee off short, and quit eating everything but fruit and Grape-Nuts, with Postum for my table beverage.

The headaches, stomach trouble, and nervous weakness disappeared almost like magic, which showed that when the cause was removed and good food and drink used nature was ready to help.

My blood was purified and my complexion became like a young girl's, while my weight was increased from 90 to 120 pounds in a few months—good, solid firm flesh, where it used to be soft and flabby.

"I recommended Grape-Nuts and Postum to one of my friends, who was afflicted as I had been. She followed my advice and in a short time was restored to complete health and in about 8 months her weight increased from 100 to 148 pounds.

"Our doctor, observing the effect of Grape-Nuts and Postum in our cases, declared the other day that he would hereafter prescribe these food products for gastritis." Name given by Postum Co., Battle Creek, Mich.

AMUSEMENTS

What the Press Agent Says

Forbes-Robertson's Visit.

Playgoers in this city have a great treat in store tonight, when Forbes-Robertson visits Zanesville in that great play of modern life, "The Passing of the Third Floor Back." The story of the play can be told in a few words. "A Passer-By," symbolic, presumably, of the dominant good in each man's or woman's soul, enters a lodging-place which houses a company of the poorer middle class, and by the simple expedient of believing good of them all, elevates and reforms them.

The play is divided into prologue, play and epilogue. The first discloses the sordid lodgers in full exercise of their vices. The second (by a curious dramatic construction in which character after character revolves about the central figure of Forbes-Robertson as the "Passer-By") makes known the steps in the moral progress of the lodgers. The third reveals the surpassing peace and happiness of a bettered household. Forbes-Robertson's art is a magic that can defy the absence of speech or action. His voice has a touch not found in other voices, his modulations and inflections being the supreme refinement of speech, while his dignity and grace of bearing enrol him amongst the world's greatest actors.

Old Homestead.

The present season is the twenty-sixth of Denman Thompson's "Old Homestead." The play is still as eagerly looked forward to by theatre goers wherever it is announced for production. The exceptionally long life of "The Old Homestead" is a striking tribute to its power to entertain playgoers, who find in its homely sentiment, its lovable characters and rural atmosphere a refreshing change from the conventional. It is beyond question the most perfect picture of simple country life that has ever been presented on any stage. The bone-bred love of home, of justice, of right living, tempered with sunny wit and kindly humor, finds its best exponent in this delightful play.

"The Old Homestead" will be at the Auditorium theatre Monday evening, Nov. 13.

The Rosary.

Rowland & Clifford's play, "The Rosary," is repeating this season with remarkable success. This play as everybody remembers, was the hit of last season, when it broke many house records for big audiences. The play was written by Edward E. Ross, author of "The Prisoner of Zenda," and many other successes, and has become as much of a favorite with the theatre-goers throughout the country as any of Mr. Ross's former dramas. The play from the start tells how Bruce Wilton has amassed a fortune, which he lavishes on his wife, Vera. Their home is a happy one until there creeps into it a note of menace. At the Auditorium theatre soon.

Buster Brown.

Never has the wit of R. F. Outcault, the author of "Buster Brown," New York's musical comedy success, which will be seen at the Auditorium soon been so spontaneous or so provocative of genuine laughter as in this play. This season the management has provided this production with a cast

Whatever Your Prejudice Give Children Clean Milk

Dear Madam:

Perhaps you are still using raw, germ-laden milk, bought from the milkman daily. There are millions of others like you. It is hard to change customs a thousand years old.

But you know that danger always lurks in raw milk. There are millions of germs in each spoonful. You know there are many tubercular cows. And you know, or should know, that most infant mortality is caused by the germs in milk.

You know that pure milk is our greatest food problem. That millions are coming to pasteurized milk. Within a few years, beyond any question, raw milk will be as rare a food as raw meat is today. And for the same reason—the danger of germ infection.

In the meantime we urge—and physicians urge—that you give children a germless milk.

Done Simply by Heat

This is how milk is made utterly sterile at all the Van Camp dairies.

In the first place the dairies are sanitary. The cows are inspected. Cleanliness is carried to extremes.

The milk is all tested. Then, while fresh from the cows, it is put in a copper vacuum. There, without scalding the milk, we evaporate two-thirds of the water.

Then the milk is sealed up in cans. Then each can is pasteurized by heat. The milk then is utterly sterile—absolutely free from germs.

Van Camp Packing Co.
Indianapolis, Ind.

Nothing whatever is added—no sugar, no preservative. Nothing but water is taken out. When you replace the water, the milk is the same as it came from the cows, save for the sterilization.

America's Finest Milk

We have dairies in seven states, each in the heart of a great dairying section. They are supplied with high-bred Holstein cows.

To bring this milk to you in perfect condition we employ famous Dutch and Swiss experts. We have spent \$100,000 in the past seven years to perfect our dairy processes.

The result is the finest milk produced in America—equal to the milks of Switzerland. Please note that. Whatever your prejudice against "canned milk," you will never in the world taste better milk than Van Camp's.

Like Using Cream

The milk comes to you as thick as thick cream. For coffee and cereals most people dilute it. It is 28 per cent solids, 8 per cent butter fat.

In coffee it tastes like the richest cream. On cereals it tastes like sterilized cream. In cooking it gives you a richness and flavor never obtained from raw milk.

Not because of anything added. This is simply the whole rich milk. That flavor is only the natural taste of whole milk.

Milkman's milk separates, so you rarely get the whole milk. Butter fat rises and solids fall. When that milk gets to the cooking it is rarely

more than a half-milk. That's all the difference. But just note from one milk dish what a difference that makes.

A Cow in the Pantry

You can buy, if you wish, a month's supply at a time. Have rich milk and cream always on hand—all that you want with none ever left over. For the opened can keeps until you use it up.

Imagine what it means to have milk and cream for a month, all stored on the pantry shelf. Think what you are losing in convenience alone by buying from hand to mouth.

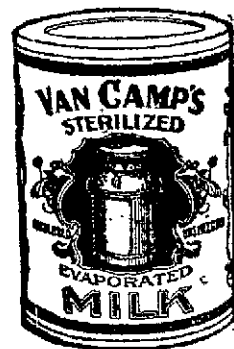

Saves About Half

Now comes the strangest fact. This ideal milk, whole, rich and sterile, costs less than milk-wagon milk. This Holstein milk, from model dairies, less than milk from mongrel cows.

We save you the cost of the milkman's daily delivery. That costs more than the milk. And we save you all the waste. In the average home the use of Van Camp's cuts milk bills right in two.

We are milking 30,000 cows per day to supply the demand for this milk. Won't you learn why so many use it?

The 16-oz. can—a full pint of Van Camp's—costs 10 cents. The 6-oz. can costs 5 cents. That's with two-thirds the water evaporated. Your grocer gets it from our nearest dairy.

Van Camp's Milk Evaporated—Sterilized—Unsweetened

that is far above the average and contains virtues that go near making it a grand opera production.

Take My Advice.

"If you listen to everyone's advice you'll never do anything for yourself." is the lesson taught in William Collier's new play, "Take My Advice," which comes to the Auditorium theatre Tuesday, November 14, one night only.

This original comedy is the work of William Collier and James Montgomery and the story of a man who suddenly finds himself a millionaire. "Take My Advice" is the best vehicle Mr. Collier has ever had, and he has had quite a number. Mr. Collier needs no introduction to theatre-goers. He is acknowledged everywhere as being our foremost light comedian, and he seems to stand almost alone in that particular field. Beginning with his "John Smith," in "The City Director," he has created a large number of comedy roles. Among his successful comedies are "The Man From Mexico," "On the Quiver," "The Patriot," "The Dictator," "The Diplomat," "Caught in the Rain," and "I'll be Hanged if I Do."

Upon his appearance here he will be supported by his own company from Collier's Comedy Theatre, New York, and it is identical with that employed during Mr. Collier's all season run in the metropolis last year. Some of the principal members are Paula Marr, Helena Collier-Garrick, Dorothy Unger, Charles Dow Clark, William Collier, Jr., Thomas Garrick, John Arthur, Thomas Stuart, John Adam and Welles Knibloe.

The Orpheum.

Opening Thursday matinee, one of the largest feature acts ever in the house will be starred at the Orpheum theatre the remainder of the week. "The Seven Arabs," the cleverest troupe of sensational acrobats in vaudeville—seven skilled athletes, each with a line of stunts that are acknowledged to be wonderful. They come here direct from the Keith time. Hattie Mackintosh and her pickaninnies have a big treat for you. When it comes to singing and dancing her "picks" can't be beat. The boys alone are a whole show in themselves, but Miss Mackintosh works right along with them and makes the act very entertaining. Verner Saxon will show you what he can do in originality. He is said to be an up-to-date comedian, with plenty of new jokes and songs, Dixie

Perere, a dainty little comedienne, is sure to please, as her act is quite a novelty. The Orpheumscope will have a new picture.

"Willie" Collier

had many imitators, which only goes to prove that he is the victim of the sincerest form of flattery, but none has been successful in getting any similar result. In his present starring vehicle called "Take My Advice" Mr. Collier has a role that gives him more opportunities than he has ever had before. His fun-making is the natural accompaniment of what is claimed to be a wonderfully written play of which he is the co-author with James Montgomery. No part he has played in years seems to so thoroughly suit him and, as he is surrounded by a cast of most capable players, the entertainment scintillates. Supporting Mr. Collier are Miss Paula Marr, Helena Collier-Garrick, Charles Dow Clark, Thomas Garrick, William Collier, Jr., Dorothy Unger and others. Coming to the Auditorium theatre, Tuesday, November 14.

NEEDMORE.

Miss Lillie Martin went to Newark Saturday, to remain indefinitely. Elder and Mrs. Z. K. Holliday of Thurston and Mr. Purdy of Gambier were guests of the home of George Iden Saturday night.

Mrs. Susie Martin and daughter Lillie visited Mrs. George Russell of West Carlisle Thursday.

Mrs. George Iden visited her mother, Mrs. G. W. Priest of Pleasant Valley Tuesday.

When the nervous man reaches the top he is apt to look around for the fire escape.

UNION'S BOOKS BEFORE JURY

Federal Court Acts in the McNamara Case.

LEGAL TANGLE SOON SOLVED

Peremptory Challenges Exercised When Twelfth Juror Is Seated in the Courtroom at Los Angeles—Defense Exhausts Five and Reserves the Right to Spend More—Important Developments Crowd Thick and Fast in Celebrated Case.

Los Angeles, Cal., Nov. 8.—Important developments in the McNamara case crowded thick and fast, the twelfth juror was seated, the box filled, and peremptory challenges began. The state exercised two and rested. The defense exhausted five and reserved the right to spend more. In Indianapolis, Judge Anderson of the federal court ordered federal marshals to seize the books, papers and physical evidence which a state judge had ordered a state sheriff to hold until the state supreme court had decided on an appeal taken by counsel of the International Bridge and Structural Iron Workers' association. In two hours the federal court had the evidence. When Joseph Ford, assistant district attorney here, heard the news he said: "Good, I'm glad of it."

In the near future, probably next week, the defense will file another petition for the removal of the present trial from Judge Bordwell's court.

LAMBERT RESENTS ATTACKS

Resigns His Pastorate and Withdraws From Ministry.

Providence, R. I., Nov. 8.—Rev. Joseph Lambert, pastor of the Elmwood Temple Congregational church, has resigned his pastorate because of protests against his action in performing the Astor-Ford marriage ceremony. The protests came largely from the other clergymen of the city. Mr. Lambert not only resigned his pastorate, but withdraws from the ministry entirely, intending to enter business in this city. He leaves the church on Dec. 1. His retirement will be considered by the church as a whole at a meeting to be held a week from tomorrow night. "There have been a lot of unkind things said against me, and especially by the ministers of this city," said Mr. Lambert. "I did not feel that I could continue in the work, as I could not put the same spirit into it as before. I am going into business and shall retain my membership in the Elmwood Temple at the request of the trustees. My resignation is purely voluntary."

EVERY CITIZEN A STATESMAN.

Clermont County "Mossback" Has Opinions and Expresses Them.

The initiative, the referendum and the recall are hard hit in a communication published in the Clermont County Democrat and signed "Mossback." He says, among other things: "We have reached a stage where almost every citizen is a statesman, and while not many new ideas are originated among us, we are ready to accept every new vision that is preached by dreamers and nostralers, which sound melodious and savor of a human paradise; but when tried by our daily conditions, our human passions, our environments, our neighbors' rights, as well as our own, they fail to make us more peaceful, more happy or more prosperous than the old order of things, which by the aid of use, cleave to their mold. No demagogue ever led a successful revolution, reformation or revocation of unjust laws. "Representative government was considered a very good system for intelligent freemen. In theory it is as near perfection as human genius can design. Its failures and shortcomings are not in the mold, but in the agency that manipulates it. It provides a remedy by a change of agencies. The man at the hopper comes and goes, according to their desires and usefulness. Discrimination and injustice can continue only so long as the people assent to it. "Conditions and circumstances may arise in which the initiative and referendum may be protective and expansive, but with better case, closer scrutiny and more intelligent action, the servant and representative of the people, in any official capacity, would be obedient to the law and submissive to the same wishes of those who put him there. And what more do you want or what more can you get with all your new and novel inventions? "The recall of the judges is a delicate and dubious theory. It might be used for good and it might be used for evil. It is a risk with the chances against its benefit. To change the law by referendum is one thing, but to depose a judge by recall for his interpretation of the law is quite another. Under existing conditions judges are answerable like other public servants for their conduct in office.

WHY I LOST MY JOB

Reasons Why Thousands Like Me Cannot Satisfy Their Employers.

I believe my fate is not unlike that of thousands of other workers who daily lose their places for reasons they do not know, and probably would not believe. When their last pay envelope comes along, it is usually, "Your services are no longer required." If the truth were known the reason for their unceremonious removal would probably be that their usefulness was destroyed because of some mental worry, bodily ailment or general indisposition. These things, as we all know, are the most fruitful causes of failure in all walks of life. The battle of Waterloo was lost because of a headache. In this quick age our minds must be clear, rapid, active and free from outside influence or worry, or else we go down to failure with the throng of "floaters" who go from one place of employment to another, giving no satisfaction to others or to themselves, constantly growing older and less useful, with no ambition, no will power, and no hope. Every man requires from every other man the best that is in him. But no man can use or get the best that is in himself until he is first free from all fretful indispositions and worries.

That was my trouble. I was full of troubles. That's why I lost my job. My stomach in the first place was always out of order, and I was worrying about it, and my mind grew cloudy and slow. I made mistakes, and grew grouchy. That was the end.

There are thousands like me, going about with quick lunch faces, dyspeptic manners, and repulsive atmospheres. No employer wants such men's services.

Take my advice. A healthy stomach is half the battle, for it keeps your mind clear and your face rosy. I have a healthy stomach now and hold a good position, and my employer is satisfied and so am I.

I started to take Stuart's Dyspepsia Tablets, which I was told were good for the worst cases of indigestion and dyspepsia. The first two tablets made a wonderful difference in my condition. One ingredient of Stuart's Dyspepsia Tablets digests 3000 grains of food. The stomach doesn't have to work at all. The Tablets do all the work, no matter how heavy your meal.

Stuart's Dyspepsia Tablets cure brash, eruptions, burning sensations, bloating, irritations, loss of appetite, nausea, heartburn, lack of energy, loss of memory and dyspepsia and indigestion in their very worst forms.

No other little tablets in the world can do so much. You should carry them around with you wherever you go and take them regularly after meals. Then you will realize what it is to be free from stomach trouble and have a clear mind, a quick memory, a happy disposition, comfort and rest. Get Stuart's Dyspepsia Tablets at any drug store for 50c a box.

Send us your name and address today and we will at once send you by mail a sample package, free. Address F. A. Stuart Co., 150 Stuart Building, Marshall, Mich.

SUMMIT STATION.

A theatre party consisting of Mr. and Mrs. S. B. Besse, Glorine Besse, Pearl Casey and Zoa Frost motored to Columbus Tuesday evening to see Mantell in "Macbeth."

The Summit Lecture Course committee have secured a course for this year that promises to surpass those of previous years. To make it a success they must have the co-operation of the people; and considering the fact that the course has cost more than usual, it is hoped that the demand for season tickets will be much greater. The dates for the various entertainments are as follows:

Nov. 24—Dr. J. B. McClay, lecturer. Dec. 4—Roy E. Bendall, impersonator. Feb. 12—The Select Entertainers. March 12—The Victorian Serenaders. April 14—Albert Edward Wiggan. The lecturer Dr. McClay needs no introduction to those who have attended the Summit Lecture Courses. His lecture, "Near-Sighted People," promises to be as good, if not better than "Upside Down People," which he gave a few years ago.

Pearl Casey spent the week end with relatives in Columbus. Mrs. J. S. Jelen and Mrs. Ross Johnston of Brownsville, also Mrs. C. O. Harvey of Columbus, visited several days last week with Superintendent R. S. Johnston and family.

Rev. G. P. Thompson of the Universalist church assisted Rev. A. B. Davis in his services in the M. E. church Sunday afternoon. Miss Oma Looker and sister, Susan, of Columbus spent Sunday with their brother and wife, Mr. and Mrs. Clarence Looker, west of town.

Sweetening Sour Dish Cloths

One trouble with dishcloths is that they are hard to keep sweet, but they can easily be kept in good condition by washing occasionally in lukewarm water to which has been added a tablespoonful of Gold Dust washing powder; then scald, rinse and hang in the sunshine and fresh air to dry. Cheshcloth, unbleached cotton and heavy linen crash make most satisfactory dishcloths.

Where kitchen utensils become burnt or very "sticky," pot rings are easiest to use.

RHEUMATIC Gout and Asthma SUFFERERS FIND QUICK RELIEF By the use of SWANSON'S "5-Drops"

Mrs. B. B. Roller, Octavia, Mo., writes: "I have suffered with Rheumatism for years, and was compelled to walk with crutches. I was advised to try '5-Drops.' I got one sent to my office, and secured a sample bottle of the remedy, and continued its use. I am cured and as well as my family. '5-Drops' gives immediate relief. It stops the aches and pains, relieves the swelling, and restores the muscles—sets almost like magic. It is safe and sure in its action. Unequalled for all forms of rheumatism, lumbago, sciatica, gout, pains in back, shoulders or joints. No other remedy will afford such early relief or effect a cure so quickly. In neuritis the nerves are inflamed, they thrill and shake from congestion and arrested circulation. '5-Drops' hastens circulation, quickens the nerves and the pain stops."

The Best Remedy for Rheumatism, Lumbago, Sciatica, Gout, Neuralgia, Catarrh and Asthma. Mrs. D. D. Miller, Milverville, Ala., writes: "I was afflicted with Rheumatism and could hardly move. I got a sample bottle of '5-Drops' and it did me good. From the very first I purchased your large size and since using it feel like a new woman. I think it the best medicine in the world."

J. H. Garrett, Carrollton, Ga., writes: "I find '5-Drops' to be a good thing for me. I am trying it for Catarrh of the bladder. I have ever tried but it has done me no good." Sold by Druggists. NEWS OF OHIO IN BRIEF FORM

End Lives Together—Roll Goes With Kiss—Votes Cast for Corpse—Child Killed.

Cleveland, O., Nov. 8.—H. L. Westerman, 25, a machinist employed by the International Harvester company, took cyanide of potassium at the Hawley house and died. His wife, 22, had previously been found dead from the same drug in a room at the Kenard house here. She left behind a letter saying her husband was in financial difficulties. They are believed to have agreed to die together. The couple are said to be from Marietta, O.

Roll Goes With Kiss.

Findlay, O., Nov. 8.—After a kiss had been implanted upon the lips of Prof. Edward E. Lee, a Benton Ridge school instructor, this country, in St. Louis, Mo., several days ago, the educator felt for his wallet and found it gone. The woman, after caressing him, asked to be excused, as she had taken Lee for her husband.

Cast Votes for Corpse.

Findlay, O., Nov. 8.—The Republicans voted for a dead man for council at Bloomville, in the person of Ira A. Schwartz, candidate for council, who died Monday night, after two days' illness from typhoid fever.

Deluged with Boiling Water.

Cardington, O., Nov. 8.—Melvin Little, 18-months-old son of Mr. and Mrs. Sanford Groves, fell backward into a bucket of scalding water and was fatally injured. Mrs. Groves scalded a chicken and went into the yard to pick it, leaving the bucket on the floor.

Miners' Strike Threatened.

Indianapolis, Ind., Nov. 8.—One hundred and fifty thousand coal miners in eastern Pennsylvania will strike on April 1, 1912, unless they are given a wage increase of 20 per cent, according to President John P. White of the United Mine Workers. Increased cost of living and nine years without an increase in wages is given as the reason by the mine workers' president.

MANY PEOPLE

Deposit their money with the Buckeye State Building and Loan Company, Rankin building, 22 West Gay street, Columbus, Ohio, for the substantial reasons that here it is safe and they get five per cent interest. Such safety arising from first mortgages on home and five per cent interest makes an excellent investment. The assets of this company amount to \$5,000,000. Write or call for booklets showing how money is received and loaned.

MORE THAN SKIN DEEP.

More Than a Skin Salve is Needed to Cure Piles Permanently.

Don't be disappointed if you fail to get a lasting cure of piles with salves. The cause of piles is more than skin deep. It is sluggish, flabby veins—pickets filled with thick, black blood.

HEM-ROID, a tablet tonic remedy, is taken inwardly, acts on the circulation, and cures all kinds of piles thoroughly.

PUT GOOD LUMBER INTO YOUR HOUSE

and you'll have a better building and save a lot of money beside. There is no economy in cheap lumber. Repair bills soon eat up the apparent saving and then keep on piling up just the same. Let us supply the lumber and you'll have a house to be proud of and one that will not cost you money all the time to keep it up.
